Who needs the noise of a party crowd?
Who needs the records turned up loud?
When two, we two can have a party all alone
Oh, yeah

Ooo, pretty music, a cozy chair
Lights down low and I'm holding you near
Oh, baby, we two can have a party all alone
Oh, yeah

When we are together, I'm like a feather
Floating in the air
I don't care where we're going
Just as long as you are there

Oh, baby, me and you, you and me
We can have a party, just wait and see
Oh, well, two, we two can have a party all alone
Yes, we can

When we are together, I'm like a feather
Floating in the air
I don't care where we're going
Just as long as you are there

Oh, baby, me and you, you and me
We can have a party, just wait and see
Oh, well, two, we two can have a party all alone
Yes, we can

Baby, two, we two can have a party all alone
Nobody else, you and me, hah, all alone
Pretty, pretty music, a cozy chair, yeah
And fade
