Give me some extazy...
Give me some extazy...

I lick some god tears.
Another place to hide.

Give me some extazy...
Give me some extazy...

Extazy
Extazy
Extazy, to be free !

But god dislikes when we stand in his garden
He will punish myself
And now I have no place to hide -

I must return on earth
I must go back in hell x4

Go back in hell.
I must return on earth.

I must return on earth
I must go back in hell x6
