I live in a world where anything is vacuum.  
On this earth I wander.  
I live where everybody is uncertain -  
My mother created me  
Then she killed me.  
I live in hell where illusions remain.  
I live on this earth searching for my father.  
On this earth where illusions remain - Myself to hell -  
I want to cum on your ugly face,  
Everyday without consciousness of yours.

I want to cum on it.  
A day will come soon, I will go  
Without expectation from you  
-- Un enfer des plus profond me h?le chaque nuit --  
I live in a world where anythin' is certain !  
Each morning, I weep facing my fate.  
I live in a world where I no longer believe in Something -

Somewhere in time... lost in moments - so where I am ?  
Somewhere in time... lost in moments - so who I am ?  
I'm obsolete, I'm suicidal sherif.  
I'm obsolete, I'm suicidal sherif.  
Somewhere in time... lost in moments  
So where I am ? - so who I am ?

I want to cum on it.  
A day will come soon, I will go  
Without expectation from you  
-- Un enfer des plus profond me h?le chaque nuit --  
I live in a world where anythin' is certain !  
Each morning, I weep facing my fate.  
I live in a world where I no longer believe in Something -

I live in a world where anything is vacuum.  
On this earth I wander.  
I live where everybody is uncertain -  
My mother created me  
Then she killed me.  
I live in hell where illusions remain.  
I live on this earth searching for my father.  
On this earth where illusions remain - Myself to hell -

I want to cum on your ugly face,  
Everyday without consciousness of yours.

Somewhere in time... lost in moments - so where I am ?  
Somewhere in time... lost in moments - so who I am ?  
I'm obsolete, I'm suicidal sherif.  
I'm obsolete, I'm suicidal sherif.  
Somewhere in time... Lost in moments  
So where I am ? - so who I am ?
