Don't try to cry - just take off  
Your ugly tears make me dirty  
Shut up, fuckin' sorrow dealer !  
You know I am not feelin' fine  
Don't try to sing - just take off  
Your ugly voice make me sad  
So many tears have been drawn  
Everybody knows:

Don't try to escape  
It will be suicide  
You're only right... it's to throw a tantrum. x4

Don't try to cry, just take off, fucker  
Your ugly tears make me dirty  
Don't try to cry, just shut up,  
Your ugly voice make me sad  
Don't cry, just take off  
Don't you know I feel the same  
Don't try to cry, just take off, fucker  
Your ugly tears make me dirty  
Don't try to cry, just shut up,  
Your ugly voice make me sad  
Don't cry, just take off  
Don't you know I feel the same  
Don't you know I feel the same

Don't try to cry - just take off  
Your ugly tears make me dirty  
Shut up, fuckin' sorrow dealer !  
You know I am not feelin' fine  
Don't try to sing - just take off  
Your ugly voice make me sad
