Kaze yo Tsutaete itsu made mo doko made mo
Sora to daichi no aida de yume miru

Bara-iro no natsu wo isoida
Tada arinomama no egao ni aitakute
Mabushisa ni iki wo hisometa
Kotoba yori hitomi ni utsutta I love you

Kokoro no naka no kagayaki zutto wasurenai
Netsu ni unasareta jikan
Azayaka na Indian samaa

Yureru kimochi wo yukkuri to dakishimete
Sora to daichi no aida de kisu wo shita

Mezameru to ude wo nobashite
Kata ni fureta ato mata nemuri ni tsuku

Futari wo tsunagu Kupito no haoto no rizumu
Kawaranai machi no BGM zawameki yori tsuyoku

Kaze yo Tsutaete itsu made mo doko made mo
Sora to daichi no aida de yume miru

Yureru kimochi wo yukkuri to dakishimete
Sora to daichi no aida de kisu wo shita

Kaze yo Tsutaete itsu made mo doko made mo
Sora to daichi no aida de yume miru
