Back when I was a child  
Before life removed all the innocence  
My father would lift me high  
And dance with my mother and me and then  
Spin me around till I fell, fell asleep  
Then up the stairs he would carry me  
And I knew for sure, I was loved.

If I could get another chance  
Another walk, another dance with him  
I'd play a song that would never ever end  
How I'd love, love, love to dance with my father again.

When I and my mother would disagree  
To get my way I would run from her to him  
He'd make me laugh just to comfort me (ooh)  
And finally make me do just what my mother said  
Later that night when I fell asleep  
He left a dollar under my sheet  
Never dreamed that he would be gone from me.(noo)

If I could steal one final glance,  
One final step, one final dance with him  
I'd play a song that would never ever end  
'Cause I'd love, love, love to dance with my father  
again.
