Don't wanna listen to no radio
Don't wanna see no tv show
Cuz I been workin hard all day
So tonight I'm going out to play
Leave a message on my telephone, y'all
If you come on by I won't be home

Tonight is the night
When I just wanna leave it all behind
Cuz I'm feelin so right
So the Dj's gotta keep it tight

Feel the frequency
The rhythm moves your feet
You've got to keep on dancing
All night long
Cuz I don't know why
But it feels like I'm on fire
I need to keep on dancing
All night long

When I walk thru the door
The music takes control
I can feel the rhythm inside
It soothes my heart and soul
Mr dj don't stop keep the music pumpin
Feel the bass and the club is jumpin
On the floor everybody's dancing
Somethings comin over me

Tonight is the night
When I just wanna leave it all behind
Cuz I'm feelin so right
So the Dj's gotta keep it tight

Feel the frequency
The rhythm moves your feet
You've got to keep on dancing
All night long
Cuz I don't know why
But it feels like I'm on fire
I need to keep on dancing

All night long

Tonight is the night
I'm just feelin right

Feel the frequency
The rhythm moves your feet
You've got to keep on dancing
All night long
Cuz I don't know why
But it feels like I'm on fire
I need to keep on dancing
All night long
