It's summertime, it's so hot  
I'm wearing shorts a tank top and flip flops  
I see birds flying in the blue sky  
And marshmallow clouds floatin' by  
School's out so it's the weekend everyday  
From sun-up to sun-down in the hood we play  
Our block party's jammin off the chain  
We're lined up dancin' like we're on soul train  
The live band sounds so good to me  
With Derrick thumpin the bass  
And Todd ticklin keys  
Laron and Pat both droppin the beat  
While Meshun and his boys supply the harmony  
I wish this day didn't have to end  
But 2morrow will come and we'll do it again

chorus

Let's take it back to the ol' days  
When Mamma jammed to the OJay's  
While cookin' breakfast on a Saturday  
Those were the good ol' days

Let's take it back to the ol' days  
When Daddy barbequed on Sunday  
And Livin' life was just so easy  
Those were the good ol' days

I still like fresh sweats, dreads and adidas

Boy, I only smiled just  
2 let you know I see ya  
I was the kinda girl  
Who liked all the bad boys  
When I was young  
I lived for the fun and the  
Joy my life brought, then  
Life, was so carefree  
And now that I'm grown  
I wish I could go back to when  
We would play hide and seek

Watch Schoolhouse Rock on tv  
Fat Albert and Prince were my two favorite things  
And "My Adidas" by Run DMC

Na'mean,  
We're takin it back y'all  
2 the place  
When the cabbage patch rocked y'all  
And the year  
Was 1985 y'all  
So go back in time with me

chorus
