## "I Believe"

Visit "[I Believe](#)" on MotoLyrics.com

Have you ever reached a rainbow's end  
And did you find your pot of gold  
Ever catch a shooting star  
Tell me how high did you soar  
Ever felt like you were dreaming  
Just to find that you're awake  
'Cause the magic that surrounds you  
Will lift you up and guide you on your way

CHORUS:

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally, I believe

When you look out in the distance  
You see it never was that far, no  
Heaven knows your existence  
And wants you to be everything you are, oohhh  
There's a time for every soul to fly  
It's in the eyes of every child  
It's the hope that love that save the world, and oohhh  
We should never let it goooo

CHORUS:

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before

Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally

I believe in the impossible  
If I reach deep within my heart yeah  
Overcome any obstacle  
Won't let this dream fall apart  
You see I strive to be the very best  
Shine my light for all to see  
Cause anything is possible  
When you believe, yeahhh, yeah, yeah, yeahhh

CHORUS:

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally, I believe, ohh yeah I believe

Love is lifting me higher  
Love is lifting me higher (repeat)
