There's a time 4 every star 2 shine
And a place 4 every dream 2 see the light
When u have everything
U don't need another reason 2b something

Hold on, and look to your faith
Can't let nobody, nobody get in your way

Chorus

I walked thru the fire
Fought thru the ragin storm
Til I found the peace
That's inside of me
I've got 2 b strong
I stand 4 my dreams
I was made 4 this moment
Take me as I am
Or nothin at all
I'll keep holdin on
Raindrops will fall

Haunting echoes from a careless word
You'll never know how much they hurt
Dreams are precious don't you know
But they are so hard to follow

Hold on you can look to your faith
Don't let nobody, nobody get in your way

Chorus

I walked thru the fire
Fought thru the ragin storm
Til I found the peace
That's inside of me
I've got 2 b strong
I stand 4 my dreams
I was made 4 this moment
Take me as I am
Or nothin at all
I'll keep holdin on

Raindrops will fall
Thier fallin down on me
But the sun is gonna shine

I was taught not 2 run away
'cause raindrops will always fall on your face
When it seems like all hope is gone
Gotta get thru the storm
B4 you can see the dawn
This is all I am
This is all I know
And I won't never ever let go
No I won't let go

Chorus
I walked thru the fire
Fought thru the ragin storm
Til I found the peace
That's inside of me
I've got 2 b strong
I stand 4 my dreams
I was made 4 this moment
Take me as I am
Or nothin at all
I'll keep holdin on
Raindrops will fall
