Trying every day not to believe I am afraid
Koraekirenai omoi dareka ni tsutaetai
Everywhere I go I seem to feel alone again
Soko ni tatsu kimi wa hitori ja nai kara

Oh it's Monday morning getsuyoubi no asa ni
Mata onaji kodoku ga sutoppu kaketeru you de
Sou itsumademo kawaranai jibun suterarezu kuyande
nayande
Me wa sameru kedo mada nemuritakute kitto manzoku
dekinakute
Katte na yume wo mite iru kedo tawai nai sekai e
nigetakute
Sono sukui ga aru dake demo daibu mashi na ki ga
shite

Sora e mune mukete soyokaze ni tsutsumare
Ima mada todokanai omoi wo tsutaeyou

Everybody up massugu na omoi de
Daremo ga himeteru negai ga aru kara
Nakidashitemo tsuyogaru toki demo
Soko ni tatsu kimi wa hitori ja nai kara

Oh mukuchi na hito mo oshaberi na yatsu mo
Gomakashiteru kizu wa onaji kurai tsurakute
Sou tomadoi mo warikirenai kioku mo afuredasu hi ga
aru kara
Me wa samenakute ii mata yume no naka kitto
musubareru hito ga iru
Futarikiri de wakariaete namida mo tsurasa mo wakeai
Can anybody hear kono inori wo hibikasetai will I find
you?

How am I going to love you?
How am I going to hold you?
Todokanai ai wa ashita ni makasete

Trying every day not to believe I am afraid
Koraekirenai omoi dareka ni tsutaetai
Everywhere I go I seem to feel alone again
Soko ni tatsu kimi wa hitori ja nai kara

Mata kyou mo chikokugimi de onaji routine kara

Konna yotei ja nakatta hazu de
Demo yappari ichinichi ga owari mukiaeru aite ga ireba
IÂ'm here to stay, youÂ're not alone
So let me here sing

Katte na yume wo mite iru kedo tawai nai sekai e
