Worship thee
Worship thee
Worship thee

Lord of righteousness
God of peace
Lord of creation
We humbly bow to thee

And we worship thee
We worship thee
We worship thee
Because we believe

Lord of righteousness
God of peace

Lord of creation
We humbly bow to thee

And we worship thee
We worship thee
We worship thee
Because we believe

We believe you are our God
We believe you are our Strength
We believe you Died and rose again
