Pick up the phone, I know you're home and awake
Don't give up on me, there's so much to say
I've been calling for weeks now and I've not got a
break
If you don't wanna listen to me, it's never too late

Give me one more day to try
Maybe this time things go right
'Cause no one else can make you smile when you cry

My hands are shaking, the headache's down
I cannot stop those tears fall down
Hey baby, why did you go
Take your time, I know you're thinking over
I've changed my ways, to start all over
Hey baby, what do you say

Don't act so cold with me, you know I have changed
I wanna win you back, so what's it gonna take
I'm up for everything, ?
Don't turn your back on me, you're gonna regret It
Monday

Give me one more day to try
Maybe this time things go right
'Cause no one else can make you smile when you cry

My hands are shaking, the headache's down
I cannot stop those tears fall down
Hey baby, why did you go
Take your time, I know you're thinking over
I've changed my ways, to start all over
Hey baby, what do you say

(4x)

What do you say, what do you say

(2x)

My hands are shaking, the headache's down
I cannot stop those tears fall down
Hey baby, why did you go
Take your time, I know you're thinking over

Iâ've changed my ways, to start all over
Hey baby, what do you say
