Verse 1:

I feel a cold, a cold wind blowin'
It tells me a tale, of a thousand years.

Verse 2:

Time is the time, of the season.
Holdin' fast, don't let go

Refrain:

Rock me slow, take me down easy.
Bring me home again
Where the four winds blow.

Verse 3:

Cool is the touch, that calms the water
And strong's the hand, that pulls the load.

Refrain:

Rock me slow, take me down easy.
Bring me home again
Where the four winds blow.

Chorus:

Where the four winds blow
Where the four winds blow
Where the four winds blow
Take me home again

Bridge:

Mountains high and valleys low
Take me home again
Lay me where the four winds blow
When the sun's sinkin' low

Lead.

Bridge:

Mountains high and valleys low
Take me home again
Lay me where the four winds blow
When the sun's sinkin' low

Chorus:

Where the four winds blow

Where the four winds blow

Where the four winds blow

Take me home again
