I can see you standin' with that red dress on
You slink and slide, lord you criticize.
How you turn me on
You tie me up, spin me around.
Like you done before
Come a day, I'll turn my face away.
But now I'm comin' back for more.

Chorus:

Ripcord - You pull my
Ripcord - Down down down down

Hey you there talkin' talkin' all night long
You turn my head, you're turnin',
Why'd you do me wrong satisfied.
You're so satisfied.
Hey you whip me in line.
Dress me up and take me home,
I ain't got no alibis

Chorus:

Ripcord - You pull my
Ripcord - Down down down down

Bridge:

All I got, you turned and swept away
What are you takin' me for
Take me out and talk me up,
Never seem to get enough
I'll get it all back for sure.

Chorus:

Ripcord - You pull my
Ripcord - Down down down down
