Verse 1:

I hear the thunder, pourin' rain  
I hear the whistle of a southbound train.  
Wheels are rollin' down the track  
I ain't never turnin' back

Chorus:

Rise up - Join your hands  
We're rollin' to the promise land  
Rise up - One and all  
Listen, hear, can you hear the call

Verse 2:

Seven wonders, seven seas  
I got a fire burnin' inside of me  
Clock keeps turnin', I go insane  
If I don't catch that southbound train

Chorus:

Rise up - Join your hands  
We're rollin' to the promise land  
Rise up - One and all  
Listen, hear, can you hear the call

Lead

Chorus:

Rise up - Join your hands  
We're rollin' to the promise land  
Rise up - One and all  
Listen, hear, can you hear the call
