Verse 1:

High steppin' walkin' out tonite
Walkin' tall, feelin' right
Won't you give me, a little tender mercy
You dig a hole no you can't climb out
I can't hear you till you scream and shout
I'm gettin' mean, i'm gettin' down and dirty

Refrain:

Clock strikes twelve.
Baby I can tell you
Can feel the heat
You can't hide nothin' in the wishin' well
Till you give it to me

Chorus:

Sweet surrender, Sweet sweet
Sweet surrender, Sweet sweet
Sweet surrender.

Baby blue, why ya wink a lot
Hard to ctach, show me wht you got
Ridin' high, you're the talk of the town
Rollin' in like a hurricane
Strike a match, lights my flame
Won't you feed the fire

Refrain:

Clock strikes twelve.
Baby I can tell you
Can feel the heat
You can't hide nothin' in the wishin' well
Till you give it to me

Lead

Chorus:

Sweet surrender, Sweet sweet
Sweet surrender, Sweet sweet
Sweet surrender.
