verse one

I was so, lost and alone,
with know place to call my home,
then I realized i was missing,
something dear in my life,
then it hit me like a plague,
I was blind and I ran away,
because I could not see,
he was already there for me,

pre-c

one thing that i learnt is Jesus,
is never to far away,
even when you leave him he still loves you,
with all of his heart,
he will be waiting for you,
to come home where you belong,
in all of his glory our savior our king,
with out him we would be nothing,

main-c

Jesus is the way,
there is know other way,
he is the way to love,
from the darkness to the light,
he will make it alright,
if you let him if you trust him,
listen, see, and believe,
when you feel low with no hope just know,
Jesus is the way

verse two

Oh how I believed I was strong,
that I could make this fight on my own,
but I, I was so, wrong,
because I fell to my knees,
I felt so, afraid it got so, very dark,
I couldn't find a light and i cried and i cried,

screaming please help me be alright ,
