I had my share of relationships
Some were good and some were bad
I had given up on this thing called love
Then you came and changed my world
With the kind of love I read in fairy tales
I can't believe it's real

You embrace me
Respect me
You trust me
Never judge me
You're my man
My best friend
You accept me for who I am
I feel so safe when I'm in your arms
Nothing can tear us apart
You bring out the best in me
The greatest gift heaven sent to me

It feels so good to be in love with you
I let down my guards and gave my heart to you
There's no other one in this world for me but you
You've given me the love I need
This love will last for eternity
Can't nobody love me like you

You embrace me
Respect me
You trust me
Never judge me
You're my man
My best friend
You accept me for who I am
I feel so safe when I'm in your arms
Nothing can tear us apart
You bring out the best in me
The greatest gift heaven sent to me

Baby I

I love you
I need you Cause you
You're my voice when I can't speak
You give me strength when I am weak
Show me my worth You're my heart
You're my peace You're my joy
Encourage me not to give up
I'm so thankful for your love
I know I can depend on you
You always see me through

You embrace me
Respect me
You trust me
Never judge me
You're my man
My best friend
You accept me for who I am
I feel so safe when I'm in your arms
Nothing can tear us apart
You bring out the best in me
The greatest gift heaven sent to me

You embrace me
Respect me
Trust me

You're my man
My bestfriend
You accept me for who I am

Feels so safe in your arms
Nothing can
