Knowing you are here with me  
Gives me faith that Iâ€™ll never be alone  
You will always be in me

Iâ€™ll give my love to each and every day youâ€™re gone  
And Iâ€™ll feel you near  
Even though you are so far away

Standing here alone I hear a million voices  
Inside my heart  
I wish there was a part, a part of you here

Iâ€™ll give myself to each and every day youâ€™re gone  
And you will be near  
Even though you seem so far away

I will rise up each and every day youâ€™re gone  
And Iâ€™ll feel you near  
Though you appear so far away
