"2nd Sun"

Reaching the point of no return when autumn leaves will
no more burn
And growing ice will cut the reeds and gloominess will
never cease. then it's the time
Then it's the time

Better leave this place
There's another land
There's no time to waste
There's another friend
Give it all away
For another run
Find a better day
For the 2nd sun

When clouds in the sky stop wandering
And birds on the poles refuse to sing
And all disposed and in a light
Show you the way
For it's the time
For it's the time
For it's the time

Better leave this place...

For the 2nd sun
For the 2nd sun

Better leave this place...
Better leave this place...
