[Music and lyrics by Marco Kehren/Deinonychus]

The search for so many centuries has become
A throne on my long awaited desires, that made
Me strong
Through the years of suffering I became one of
The black
All those who tried to stop me never came back
The souls of defenceless beauties, the ones
Who pleaded
I carved their flesh, drank their blood, I am
God!

A throne on my long awaited desires

The flame I held high, heaven's cry!

Now the time has come to reveal
The real God, the real prophet
In my darkest time
God prepare to meet me: to the death
After the glorious battle of unholiness
The throne was mine
I look to the angels, the unblessed
As I crowned myself
I held up high the blaze of eternal doom
Looking into the eyes of the dyig angel
I said I am God!!!

A throne on my long awaited desires

Forever I will rule...
