Bastard of the cross relentlessly
Strike fear preaching of his coming here
Scriptures, twisted words to provoke
Rapture from the lord your god so great
BASTARDS OF CHRIST - DIE!!!!
He fucked himself to save you - put to death,
masochist
For this his words berate truth - agonized, prophesized
Revive the book of fiction - blasphemy, gluttony, to
Decieve you and me
In battled disposition - hang the bitch on the cross
Entitle his conviction - blasphemous, lunatic
Your heart is full of hatred - BASTARDS DIE,
FUCK YOUR CHRIST, WILL SURVIVE,
KILL YOURSELF.....DIE!!!!!!
Bastard, for your god you compromise
Do without, search the truth you'll never find
Scriptures offer little to relate
Laughter from the lord into your face
BASTARDS OF CHRIST - DIE!!!!
You think your god will save who - I will see,
Just believe
You fool, not true, no thank you - enemy of the cross
His word installs deception - pray to god, not for me,
For yourself, soon you'll see
You'll die for your religion - holy shit, pacifist
Untrue with choices given - nothing won, you are dead
Describe the holy vision - BLACKING OUT, FINAL
BREATH,
MEET WITH DEATH,
NOTHINGNESS, DIE!!!!!!!!!!!!!!
