Why do I have to leave
I just cannot say
Someone's calling me
From so far away

Sometimes I hear
The bells of another land

When I came I was dreaming
Dreams of a everlasting sun
Raised my hands for peace
Words of love on my tongue

Sometimes I hear...

The more that I was falling
The more I felt the light
Warmed my empty body
In an endless night

Sometimes I hear...

So I went into my garden
Watched the flowers grow
Laid myself on the warm grass
And death came very slow

Sometimes I hear...
