Holy one unsung, you are the scum of his philosophy  
Will you ever learn that it is god who is the enemy?  
Step across our line from the divine and twisted beaten  
path  
Spewing forth in bullshit to your final fatal bleeding  
gasp  
What you have to say about your lord don't mean a  
thing to me  
Bash you fucking head in with the book of his insanity

Bible Basher  
Bible Basher  
Who is your god?

Ram your religion so far up your ass  
Till it becomes just a thing of the past  
Trample the cross and you cave into hate  
Bible basher I'm destroying your faith  
Blasphemous and vicious as I'm ripping you from head  
to toe  
There are those who wish you'd leave them the fuck  
alone  
In your face I spit to contradict your lord's integrity  
Time to admit, you are swimming in fantasy  
In a fit of rate, Satanic ways you will be crucified  
Bound and determined, your savior will die

Who is your god?

Stab your religion and leave it for dead

Crush your insides with a touch of Satan  
You will succumb as did Adam and Eve  
Bible basher, I destroy your belief
