Give pralse to Satan, he has won (Lead - Brian)
Dynical existence, crucifixion
You will give pralse to Satan
Lord of lords, kind of kings
Spread your wings
Haunted by the righteous one, bent of my repention
Crucifixion Lucifier, save me from destruction
Holy priest that can't confirm, shun the cross of evil
Violent but undisturbed, wait for thee invertion
Pre-Chorus:
To break the bonds of evil
To die upon the cross
To die uncertain death
For whom you place it on
Chorus:
Crucifixation - Thee unholy denominations
Crucifixation - Holy termination
You will give praise to Satan (Lead - Brian)
Imaled vibration, Crucifixation
Levitating act of death, messanger of Satan's mass
Blinded by the crucifix, sacrilegious impalment
Kill the chosen, righteous son, claim the cross inverted
one
Everlasting hell dammation, from the lord,
Crucifixation
Repeat Pre-Chorus / Chorus
Where's my crucifix?
I can't die without it.
