"Day Of Darkness"

Death is now the day
When the fires fall from the sky
Let us pray
When the darkness falls we will die
Endless pain
Crucifying death from above
We must pay
Day of darkness
Question our fate when day of darkness
Forces of evil now upon us
Forces of evil on display
Forces of holy brought this day
Death is now the day
When the reaper calls for the dead
We'll be saved
In this world of desecrating minds
We must pay
\Crucifying world of evil death
Let us pray
Day of darkness
