Calvary's son what have you done, Nothing but hang on
a cross, Nazarene beaten to death, What is sin, your
lord did you in... Putting your ass out to dry...
Just a pawn sentenced to die...
Revelation compromise, kill the world another time, In
the name of God you hide, all behold the crucified...
Heaven's dissention, the light of the dead,
Absent as always, the crucifixion,
What's in his name that you want us all dead,
Why do you question the voice in your head?
Reverence sours despising the meek, Biblical power,
Descend into dream, Cast to the darkness contentious
stay, Mourning forever his name you will pray...
Mutilation, Left to Satan,
Killed to save us, Death to Jesus
Under the sun, drained of belief, screaming at God to
be dead, Dominus onward ascend, Fall from grace
through the hands of the lord, Judas is hanging
betrayed and ignored, Fuck the Christ, Who will save,
Retro Send, Arbitrating the soul, Come again and relive
it you know, Crucified when you arrive, Rendered
unconscious, Confined to the cross, Caught in the act
of the end of us all,
Powerless again you die...
For the Father you despise, Bare the burden of his
Sign, Holy tomb of emptiness, Suffocate inside your
shrine...
Recitation, Salutation
God defeated, Death to Jesus

Revelation compromise, Kill the world another time
In the name of God you die...
Death to Jesus, Crucified
