Holy bible, instrument of death, book of fools and
ignorance
Without a trace, to the other side, faith in god atlas has
died.
Aged and faded, Christianity, dying down in it's
disease,
Heaven hated, never know his love, leave you where
you have begun,

Testaments to the contradiction, death to you for the
souls you save, unify his masses.
Sacrifice to the crucifixion; you deserved to die this
way,
Go now your lord is dead.

Human failure, Christians crucified, on the cross of
Christ design,
God's creation, rule this world with lies, and the truth
will leave you blind,
No more Jesus, evil axe to grind, choose the path that
we desire.
Christ religion, genocide is near watch your churches
disappear.

Condescending ancient wisdom, solitude begot this
day,
The light surpassing,
Without a place of worship, the sheep have been
displaced,
Go now your lord is dead...
