You are the one we despise  
Day in day out your words compromise lives  
I will love watching you die  
Soon it will be and by your own demise  
Buried in hypocrisy  
Lacerate your faith in god  
Morally diseased  
On the cross of Calvary your body bashed, defeated,  
stabbed  
Blessing as you hate  
Loyal to your enemies  
Monetary faith  
As him you'll pay for the lies of your prophecy  
Satan wants you dead  
Kill the christian, kill the christian  
Kill the christian, kill the christian  
Kill the christian, kill the christian  
Kill the christian  
Armies of darkness unite  
Destroy their temples and churches with fire  
Where in his world will you hide  
Sentenced to death, the anointment of christ  
In due time your path leads to me  
Put you out of your misery  
The death of prediction  
Kill the christian  
Kill the christian...dead!
