Waiting for the dawn

Waiting for the night

Waiting for the dawn

Waiting for the night

The day's too long

The day's too bright

The day's too long

The day's too bright

Love me,

Love me to the end

This man pursues

A dagger in his hands

This man pursues

A dagger in his hands

Yet he will never

Get into our land

Yet he will never

Get into our land

Love me,

Love me to the end

Fall down by my side

Down in my arms

Fall down by my side

Down in my arms

This night forever

No morning will come

This night forever

No morning will come

Love me,

Love me to the end

Love me,

Love me to the end

Love me, love me....
