Breathing my last breath, as i lay stabbed on
The floor
The last ceremony of the priest will help me
No more
As they wrapped me in black, and put me into a
Coffin
I knew for sureâ€¦ I would return!

You fuckers, you're going to pay for what
You've done to me
Now i dwell throughout the nightâ€¦ a reason for
Fear
The window stood open, as i slipped into your
Body
That morning after, your soul dissapearedâ€¦ You
Were so cold

For candles burned all around, there was a
Dinner for two
Someone else sat in my place, with my loved
One in front
As i looked into their deeply horrified and
Stone-cold eyes
I knew for sureâ€¦ They would die!

Yes oh yes, I touched their scared flesh,
Their remorse couldn't
Help them no moreâ€¦ their souls left with me
Into the night
As the last tears were criedâ€¦ as i became one
With the earth
I finally could restâ€¦ 'til i returned on my
Path through the night
My travels throught the midnight skyâ€¦
