Evil night of an evil death

Epitome of Illusion

Sacrifice of the unborn child

Enter the kingdom of darkness

Sodomized for the ritual

For there is nowhere to run

Open the gates to the manifestation

And grant me the powers of darkness

Chorus:

Infenal majesty, take this dead offering

Feeding the demon seed, evil bestowed on me

Exorice the powers of death

Invert my cross of time

The retain of Satan anarchy

Inside my scared sign

Lucifer bring me the legions of deaths

Abbadon kill until nothing is left

Oblivious to evil

(Lead - Eric/Brain)

Death of defled the rituals

Of dreams and disillusion

Unlock the box and gimp in pain

Summon the demons of darkness

Evil Gods that fast with flesh

Prepare me for the dead

Release me from the angels so righteous

For your God is dead

Repeat Chorus

-----E N D-----
