Once upon a cross  
Fear him, fear him, fear him... Satan  
Nazarene in the valley of persuasion  
To receive last temptations from Lord Satan  
"Take a bite" said the serpent "eat of it"  
Without no choice to do so, you cannot resist  
Impaled crucifixion  
Compassion forgot  
Eternal damnation  
Once upon a cross  
Blasphemy laughs at thee  
Jesus you've been deceived  
Struggling on the cross  
Gagging to breathe  
Despise your god, question why  
You were retrieved by the angel of light  
Once upon a cross  
Kill him, kill him, kill him... Satan  
Nazarene screaming on his crucifixion  
Prophecy in its final contradiction  
When you die is when the lie will be believed

Upon the cross, before the world to see

Once upon a cross
