Once upon the cross
Fear him, fear him, fear him.... Satan
Nazarene in the valley of persuasion
To receive last temptation from Lord Satan
"Take a bite" said the serpent, "eat of it"
Without no choice to do so, you cannot resist
Impaled crucifixion
Compassion forgot
Eternal damnation
Once upon the cross
Blaspemy laughs at thee
Jesus you've been deceived
Struggling on the cross
Gagging to breathe
Despise you god, question why
You were retrieved by the angel of light
Once upon the cross
Kill him, kill him, kill him.... Satan
Nazarene screaming on his crucifixion
Prophecy in it's final contradiction
When you die is when the lie will be believed
Upon the cross, before the world to see
Once upon the cross
