

Deicide "Repent To Die"

Visit "[Repent To Die](#)" on MotoLyrics.com

Pathetic lives, every second someone dies
Delightful is the sight of repention
No destiny, just a certainty of death
In pain inducing lies of salvation
Never repent.....

Born to be dead
Repent to die
Ignorance looms in the unconscious mind
Born to be dead
Repent to die
Waste your last breath on the lord Jesus Christ

Repent to die

Afraid of what lies after death
Your screams are unheard to Him
Resisting your wake of adorn
Your pleading falls deaf on your lord

"Go fuck your god" will be my final words
To die is just the concept of living
To be Forgave, salvation blessed with pain
Endeavored is the blame of creation

Pathetic lives, every second someone dies
Delightful is the sight of repention
No destiny, just a certainty of death
In pain inducing lies of salvation
Never repent.....
