Satanized, crucified, feel the wrath of suicide
Incus fear of the sphere,
angel darkness disappears
Covenant, blasphemous, open up unholiness
Father Satan, let me just unholy sins

Suicide sacrifice
Destruction of holy life
Blood of unholy knife
Satan I sacrifice
Behold the crucifix, symbol of sterility
I am crucifix

Satan Suicide sacrifice, profeasting evil night
Lust into reality
Satan Angel of the black abyss,
Satan lord I hail
Insane blasphemous
Satan Sacrificial suicide,
Ritual to end my life
Behemoth incess my fate Satan
Damned to tell, end of my life
Wrath of God Satan
Sin my soul, blesses with fire
Throne of stone - Satan
I must die, in my wake
Seventh gate - Satan
Suicide, end my life
I must die - Satan
Suicide sacrifice, thrust of evil deep inside
Lucifer never lies, take away thee mortal life
Demigod, Satan son, commend to body to the ground
Father Satan, I'll find peace when I am God

Suicide sacrifice
Destruction of holy life
Blood of unholy knife
Satan I sacrifice
Behold the crucifix, symbol of sterility
I am crucifix
