Satanized, crucified, feel the wrath of suicide  
Incus fear of the sphere, angel darkness disappears  
Covenant, blasphemous, open up unholy sins  
Father Satan, let me just unholy sins

Suicide sacrifice  
Destruction of holy life  
Blood of unholy knife  
Satan I sacrifice  
Behold the crucifix, symbol of sterility I am crucifix  
Satan Suicide sacrifice, profestating evil night

Lust into reality -  
Satan Angel of the black abyss,  
Satan lord I hail  
Insane blasphemous - Satan  
Sacrificial suicide,  
Ritual to end my life  
Behemoth iness my fate - Satan  
Damned to tell, end of my life  
Wrath of God - Satan  
Sin my soul, blesses with fire  
Throne of stone - Satan  
I must die, in my wake  
Seventh gate - Satan  
Suicide, end my life  
I must die - Satan  
Suicide sacrifice, thrust of evil deep inside  
Lucifer never lies, take away thee mortal life  
Demigod, Satan son, commend to body to the ground  
Father Satan, I'll find peace when I am God

Suicide sacrifice  
Destruction of holy life  
Blood of unholy knife  
Satan I sacrifice  
Behold the crucifix, symbol of sterility I am crucifix  
Satan Suicide sacrifice, profestating evil night
