father of death and the save your of sin, losing their
grip on mankind
refuse to go and resistance is low, the time to say no
has arrived
specter of god and redeemer of souls, lost in the
splendor of hate
buried by priests for the act of perverse and the
shadow its brought on its faith
die
save your and god, spare me their love, follow the
devil wherever i want
savior, defeat, thou has forsaken thee, died on the
cross for a lie
your god is dead, satan arise, vengeance invoke for all
of time
reborn to bleed, casting the stone, heaven retreat, god
is dethroned
save your and self, deal what youre dealt, death in the
shadows of god and his wealth
waller in agony, onto the cross, just as him you will
hang till you die
bleed for me, bleed for your soul, you want to bleed,
bleed for us more

scream out unto your god, all is achieved
fall from your cross, guilt ways you down, no one
believes that you killed your own son
fooling yourself, waiting on god for the sign that he
wants you to die
father of death and the save your of sin, losing their
grip on mankind
refuse to go and resistance is low, the time to say no
has arrived
specter of god and redeemer of souls, lost in the
splendor of hate
buried by priests for the act of perverse and the
shadow its brought on its faith
die
