[Music and lyrics by Marco Kehren/DEINONYCHUS]

The trees in the park are smiling at me. They try to tell
me how wonderful life
Can be. As innocent as the blue in the child's eye; the
sun wakes all life
Beyond. The purity of the blade wrote history inside of
me. However, never
Capable to resurrect me. All roots of life have
abandoned me. The candle inside
Of me, has blown out. My room becomes darker and
darker! Never will I understand
Why fish can't walk. Perhaps it's because I couldn't
become part of MY life. The
Trees in the park are smiling at me, they try to tell me
how wonderful life can
Be. As innocent as the blue in a child's eye; the sun
wakes all life beyond.
However, I'll never understand why this happened to
me. But as it is with every
Storyâ€¦ There's always an end.
