Missions of death, spread upon earth  
preach in disguise of a god and his church  
no compromise, believe or you die, pray unto him and  
to follow his lies  
buy into christ, he waits on you dead, sin for the father  
again and again  
falter, diminished, salvation, enslaved, to hell with god  
and to all that he gave  
raise our glass to blasphemy and piss upon the altar  
servants of the lord above, ignore the new world order  
conquer us, unleash damnation, go from here into  
temptation  
live in fear, for he forsakes you, lies endeared for all  
creation  
festering death, forsaken my soul, evil so ancient from  
elders of old  
waging this world with its book of disgust, casting its  
will upon all who will trust  
protests, won't leave them to be, spoiled by god and  
his beautiful scheme  
satan insists on his being, upon the earth and  
emplaced overseeing  
raise our glass to blasphemy and piss upon the altar  
servants of the lord above, ignor the new world order  
conquer us, unleash damnation, go from here into  
temptation  
live in fear and no salvation, lies endeared for all  
creation  
to hell with god, you're damned to the edge of  
riddance  
to hell with god, you don't want to be forgiven

put aside your crucifix  
to hell with god, him and his son, do not believe the  
likes of a theif  
to hell with god  
to hell with god  
to hell with god
