

## Deicide "Ulysses"

I came from far, came from nowhere  
Over the sea, came through the air  
Give me your love  
Give me your love  
Give me your love  
Give me your love  
Desires of freedom smashed to your lips  
Taste of lost hearts on drowning ships  
Give me your love...  
Give me your dreams..  
So tie me up to the mast  
And longing for, and drifting past  
Give me your love...  
As time stands still, ships run aground  
Forever the spirit, forever the sound  
Give me your love...
