Congradulations on the ring
Got you a doctor who can afford the finer things
I always said, your settling for less than what you
deserve
We've had some happy times but I've caused you so
much hurt

I hope he treats you better, better than me, better than
me
You deserve a knight in shinning armor, man of honor
and a man better than
Me
Better than me, ohh better than me

I've tried, ohh I've tried
But the player in me just wouldn't die
I'll never find another, friend and lover
Need you but you don't need to suffer
I shouldve thought when I was doing wrong
I'd miss you when your gone

I hope he treats you better, better than me, better than
me
You deserve a knight in shinning armor, man of honor
and a man better than
Me
Better than me, ohh

Hope he helps heal the scars from your broken heart
I hope he's man enough to promise you till death do
you part
Hope he takes the time, breaks the line
If only I didn't realize who you are

I hope he treats you better, better than me, better than
me
You deserve a knight in shinning armor, man of honor
and a man better than
Me
Better than me

I hope he treats you better, better, better than me,

better than me
You deserve a knight in shining armor, man of honor
and a man better than
Me
Better than me

Better than me, Better than me, so much better than
me
Better than me, ohh better than me
