Verse 1

You've been on my mind,
hope you got some time,
For what imma put your body thru,
You been talking fact,
Like it's good as cat,
And now it's time for you to show and prove,

Pre chorus:

Imma put it down down down,
Imma stay awhile while while,
Judging by the sound sound sound,
You want it and you need it right now,

Hook:

Can I make love (love)
Love (love)
Love to you
Can I make love (love)
Love (love)
Show you how I do
Can I put it in your life,
Give it to you right,
You been all alone,
But daddy's here tonite,
Now Can I make love (love)
Love (love)
Love to you

Verse 2:

I like to go hard,
Let me raise the bar,
Bet I bring the freak up outta you (you)
You say that it's on, magnums and patron,
Baby I'm about to act a fool (fool)

Pre chorus:

Imma put it down down down,
Imma stay awhile while while,
Judging by the sound sound sound,
You want it and you need it right now,

Hook:

Can I make love (love)
Love (love)
Love to you
Can I make love (love)
Love (love)
Show you how I do
Can I put it in your life,
Give it to you right,
You been all alone,
But daddy's here tonite,
Now Can I make love (love)
Love (love)
Love to you

Bridge:

Tell me how u want it,
Imma jump up on it,
Til ya body scream yeah,
I know how u need it,
I know how to please it,
Baby you gone see yeah,
I was thinking deeper,
Make ya body weaker,
Give it all to me yeah,
Imma do you right oh if you let me...

Hook:

Oh can I make love (love)
Love (love)
Love to you
Can I make love (love)
Love (love)
Show you how I do
Can I put it in your life,
Give it to you right,
You been all alone,
But daddy's here tonite,
Now Can I make love (love)
Love (love)
Love to you
