[Chris]

Your panties on the floor right next to me  
Got'chu screamin' "n-gga damn"  
hang that sign up on the door that say "Privacy"  
Cause you gon' get it girl!  
Bend your back now girl,  
Imma set the camera up,  
Blow your back out,  
Rewind the tape,  
And play it back now girl  
So just celebrate  
Ladies, right now
