Baby its been a while
Cuz I don't sleep around
I'm choosey bout who
I give my love to
Don't wanna disappoint ya
Tryin to say
how much I want you
but this first one might come real soon
OH I

(chorus)
I'm so close (I'm so close and I)
I can feel it (feel it, oh)
I'm so close (i'm so close)
I can feel it (feel it ummm)

Started on the telephone
Promisin' all night long
Didn't know what I was
gettin myself into
Up and down
Back and Forth
Slow down and give me more
Tryin to fight it, but
I don't think its right to

(chorus)
I'm so close (ooh yeah)
I can feel it (said I can feel it)
I'm so close (oooh)
I can feel it

Body's touchin'
lip's kissin'
Holdin tight
Sweat dripping
I can feel you all over me
Heart racing
Your riding
I'm coming
Can't fight it

(chorus)
I'm so close
I can feel it (I can fight it, no)
I'm so close
I can feel it
(twice)

I'm close
I'm close
I'm close
(repeat 4x)
