"Sex, Love & Pain" Intro

I dont want nothin if i cant have it all.  
If i gotta beg for it on my knees and crawl.  
Cause i gotta have you girl i gotta have you.  
Tell me what you like we can fuss and fight all day.  
But trust we gon be sexin all night.  
It dont matter girl im down for whatever.  
Ride with you through any kinda weather.

Girl just give me your  
Sex love and pain. oh  
I want i want all your  
Sex love and pain.  
Everything you got for me yeah  
Sex love and pain. (listen)  
Is it okay if i give you my  
Sex love and pain.  
Oh oh oh sex love and..

I cant change nothin all i got is me.  
Occassional strip clubs and shots of hennessy.  
I'm somewhat of a hustla out here in these streets  
I'll be your hustla if you need me to be  
Cuz i got that paper for ya damn all them hata's for ya  
Let em know your with me while you flosen in that  
rangrover  
It's gon be good it's gon be bad thats cool with me the  
only thing i need is your

Sex love and pain. oh  
I want i want all your  
Sex love and pain.  
Everything you got for me yeah  
Sex love and pain.  
Is it okay if i give you my  
Sex love and pain.  
Oh oh oh sex love and..

I just want your your your sex love and pain all of your  
sex love and pain

### Verse 1

Baby I wanna know it  
Get close enough and let me hold it  
I'm on it girl let me show it  
You should choose me tonight  
Baby your body move me  
Got budget for a ghetto movie  
Superstar can I be your groupie  
I got what you need tonight yeah

### Pre Chorus

Girl let me get you out on the floor

See what that thing's really gettin' for  
The way you drop it on me shit I want more  
And more because

### Verse 2

Baby your walk's the meanest  
Every nigga in the club can see this  
They all want it but girl I need it  
So you should choose me tonight  
I'm hot and all I did was see you  
All these others shorties wanna be you  
Bring it here girl and let me treat you  
I got what you need tonight

### Pre Chorus

### Chorus

Baby you one of the coldest  
I done seen (coldest)  
In low rise jeans (coldest)  
All your drinks on me tonight girl 'cause  
Baby you one of the coldest  
In this spot (coldest)  
Droppin' like it's hot (coldest)  
V.I.P.'s on me tonight girl

### Bridge

Work your thang, Work your thang  
Cause you got love tonight girl  
Twurk your thang, Twurk your thang  
Cause you got love tonight girl  
Shake your thang, Shake your thang Oooh that's what I  
like girl  
Don't be shame, Don't be shame  
Shorty what's your name cause you are

### Chorus 2x's

Outro  
Baby you one of the coldest

Reprise  
Up in the club just doing me  
Posted by the bar too crowded in V.I.P.  
Couple more shots of 'Tron and I'ma leave  
But then I walked up on the coldest thing I done ever  
seen

She's one of the coldest  
I done seen  
In low rise jeans  
All your drinks on me tonight  
Baby girl you are one of the coldest  
Up in this spot  
Droppin' like it's hot yeah  
V.I.P.'s on me tonight girl  
You one of the coldest
