(feat. Luke Boyd , Eric Dawkins)

[LITTLE ALBERT AND THE TRU-TONES:]

Me and my baby going downtown
Me and my baby getting down tonight
Me and my baby going downtown
Me and my baby gonna check check check out the
sights
We're looking around (You're telling us, sweet lady)
We're looking around (Gonna have us a time tonight)
Check check checking it out
Check check checking it out

[JAMES "THUNDER" EARLY:] Marty? Marty!

I said no mayonnaise!
How many times have I told you no mayonnaise on the
chicken sandwich?

[MARTY:] ...Thousands, Jimmy. Now eat it.

[JAMES] "THUNDER" EARLY: I'm forced to baby, 'cause
I'm starving.

MARTY:] You've got a bigger problem. Charlene and
Joanne just walked.

[JAMES "THUNDER" EARLY:] Just walked? Just walked!
They can't do that to Jimmy! I need backup!

[MARTY:] Yeah, you do.
And not only for tonight...what about the ten week tour
starting tomorrow?

[JAMES "THUNDER" EARLY:] Marty, you got ten minutes
to deliver, or else.

[MARTY:] Jimmy...you've already gone through every
girl on the circuit.
I warned you to lay off the women you work with!
You got plenty of other women out there.

[JAMES "THUNDER" EARLY:] There sure are,
but who's got time to go out lookin'!
I'm always workin'!

[MARTY:] Yeah...'cause Marty always keeps you
working.

[LITTLE ALBERT AND THE TRU-TONES:] Check, check,
checking it out!
Checking it over
Checking it out
Checking it over
Checking it out
I'm....Checking it over
Checking it out... [continuing in background]

[DEENA JONES:] Oh no...no! They have the same wigs
we have!

[LORRELL ROBINSON:] We're ruined unless we can find
new wigs.

[EFFIE WHITE:] Why do we need wigs in the first place?

[DEENA JONES:] Because, we need a look...I got it!
...Turn the wigs around.

[LORRELL ROBINSON:] ...What?

[DEENA JONES:] Turn the wigs around!

[LORRELL ROBINSON:] Oh Deena, it's so...different.

[DEENA JONES:] It's sophisticated-looking.

[EFFIE WHITE:] Front-ways or back-ways, wigs ain't
natural.
And what about these dresses?
I mean, this dress does NOTHING for my body.

[DEENA JONES:] Effie, my mama spent three weeks
sewing up these dresses.
Shoot, they helped us win that contest in Chicago.

[EFFIE WHITE:] Big deal, so we won three albums we
already had.

[C.C. WHITE:]
I'm going downstairs now, and hand this music out to
the guys in the pit.

[DEENA JONES:] Hey, C.C., do you really think we're gonna win?

[C.C. WHITE:] ...We're gonna win.

[EFFIE, DEENA, and LORRELL shout about how they're going to win]

[LITTLE ALBERT AND THE TRU-TONES:] We're going downtown!
To check check check out the sights!

[ANNOUNCER:] Let's hear it for Little Albert and the Tru-Tones!
Weren't they fabulous? Now, put your hands together for Tiny Joe Dixon!

[DEENA:] Oh, we're next!
