Let me share the sun with you now

Baby girl, tell me how again am I supposed to trust you
now

After everything you admitted to me
And I'm sitting here tryna find a way to forget somehow
'Cause I'm feeling like you cut me too deep

Gotta blame myself 'cause I told you lay it on the line
Never thought that you would lay it that way
Never thought you had so much to say
Never thought that I'd see the day
Where we'd almost cross the line 'tween love and hate

Are you sure you told me everything?
Even though it hurts, I'm listening
I'm tryna take it like a man and halfway understand
Being hurt wasn't part of the plan

It was a heartbreaker
Hearing things I didn't wanna hear from her
Now I'm thinking 'bout the things I did for her
Glad I never ever had no kids with her, this
heartbreaker

'Cause I damn near swallowed my tongue when she
said it to me
Heart started pounding like a drum when she said it to
me
Thought the truth was something I could take
But it wasn't supposed to feel like a heartbreak

Now the fact of the matter is I thought that I'd be cool
After everything you admitted to me
It's taking everything of me not to put my hands on you
'Cause I'm feeling like you cut me too deep

Gotta I blame myself 'cause I told you to lay it on the
line
Never thought that you would lay it that way
Never thought you had so much to say
Never thought that I'd see the day

When we'd almost cross the line 'tween love and hate

Are you sure you told me everything?

(Don't need no surprises now)

Even though it hurts, I'm listening

(I'm hurting, I'm tryna hide it)

I'm tryna take it like a man

And halfway understand

Being hurt wasn't part of the plan

It was a heartbreaker

Hearing things I didn't wanna hear from her

Now I'm thinking 'bout the things I did for her

Glad I never ever had no kids with her, this

heartbreaker

'Cause I damn near swallowed my tongue when she

said it to me

Heart started pounding like a drum when she said it to

me

Thought the truth was something I could take

But it wasn't supposed to feel like a heartbreak

I've had my share of broken hearts

But girl, you took it too far

'Cause what you did to me was so unpredictable

Yeah, you told me but I wish I didn't know

Now why you wanna go and break me down, down, way
down?

It's like I'm lost, never to be found

And it ain't like I'm six feet under the ground, ground

You didn't have to tell me 'cause

I damn near swallowed my tongue when she said it to

me

Heart started pounding like a drum when she said it to

me

Thought the truth was something I could take

But it wasn't supposed to feel like a heartbreak

It was a heartbreaker

Hearing things I didn't wanna hear from her

Now I'm thinking 'bout the things I did for her

Glad I never ever had no kids with her, this

heartbreaker

'Cause I damn near swallowed my tongue when she

said it to me

Heart started pounding like a drum when she said it to

me

Thought the truth was something I could take
But it wasn't supposed to feel like a heartbreak

No, wasn't supposed to feel
Wasn't supposed to feel like a heartbreaker
Wasn't supposed to feel
Wasn't supposed to feel like a heartbreaker
Wasn't supposed to feel, wasn't supposed to feel
