Ohh I don't never wanna go back  
Cos back seems so far  
There's nothing like my secret place  
Girl that's what you are  
Patiently awaiting at the gate  
Til you call my name  
Cos everytime that I came in  
I'm taking away

Everytime we get it on  
It feels like (heaven)  
Angels sing trumbets blow  
Like I'm in (heaven)  
It's like I'm, way up there  
My god you've finally answered my prayers  
I ain't never leaving home  
Cos I'm in (heaven)  
Heaven

Glad I got my life together  
I made it in  
Cos being here's so much better than where I've been  
I'm enjoying these streets of gold  
So perfect and it won't get old  
So glad that I could stay forever  
Don't ever let them sin  
Cos,

The minute that you opened up the door  
I swear it's everything I waited for  
Every little thing that you do  
Keeps me caught up on you  
Got me coming back for more  
Cos I'm so hot I fly oh I'm enjoying the ride  
And now I'm living in the clouds next to the sun  
Your arms are open wide I hear you whisper welcome

It feels like (heaven, ohh)  
Yeah it feels like (heaven, ohh)  
It feels like (heaven, ohh)  
Heaven
